would mean that not only could its coa mines supply the whole Pacific coast with a quality of coal equal to that

gether at Vaviucourt last year.

"When did you come east?" I asked
ing a fuel crisis.

The situation in Alaska has never
been understood in the east. Today, as
a result of laws, restrictions and handicaps Alaska is tied up and its resources are not available. Alaska is importing coal from British Columbia when
she should be exporting coal. Tet Alaska, with the New England states crying for coal, could supply enough fuel
for all Pacific coast demands and thereby assure to the Atlantic coast the full
output of its mines.

Government permission to develop the frigidly rude to me. Alaska coal fields, it is claimed, would "difficile" person in the A. E. F. days. I well remember how cross she used to be when I sat up late attending to my

COMPLAISANT TO VILLA Francisco Villa has just added anther touch to a career that has all the cother touch to a career that has all the elements of a comic movie. After agreeing to surrender, he musses up the plot in true comic opera style by making no effort to disband his force and retiring to the estate where he was to live at ease with his fifty faithful retainers.

Judging from all his past performances, it cannot be said that anything the Mexican bandit chief might do would be surprising, but the surprising thing is the complaisant way in which Mexico and the United States view the blackmail scheme which Villa has so successfully worked. There have been humilitating situations into which we have been led by our dealings with the government to the south of us, but poselements of a comic movie. After agree-

collection could be seen when have been led by our dealings with the section could be seen when the request of the government to the south of us, but possibly the most humiliating is this where we have nothing to say while the man who raided New Mexico secures a practical blackmail fund of millions for the asking and an immunity bath so far asking and an immunity government to the south of us, but pos- night?"

Will you go in this limousine?"
"What fun!" I exclaimed. "Of course. "Then we must start at once, for it's to be a small and early."

I saw he was impatient to be off, so I let him help me into the side car, and away we went. I had a glorious time,

enjoying every minute until I arrived at my billet at about 12 o'clock. "Good gracious, Lucile, where in the world have you been? I haven't slept a wink," groaned Jayce. "Why, I just went over to Conde with Locey Bill Long. I couldn't say no to him when girls were in such demand. I

felt it my duty to go."
"What about your duty to the guests
you invited here?" "Oh, Joyce, it's the funniest thing; that little affair entirely escaped my mind until it was too late to turn back. I consoled myself with the thought that

you know how to make candy much better than I. Did you find the sugar?" "Yes; when I finally came home. Lu-cile, after one of the men you had in-voted came up to the hut to see what had happened to the party. I was play-ing accompaniments when Red Johnson ing accompaniments when Red Johnson whispered to me about it. I excused my self and came right down here and did the best I could. I think the boys had a pretty good time, though they thought your absence strange."

"Why weren't you here to receive them?" I asked.

"I didn't know that we were having a party tonight"

a party tonight."
"Why, Joyce Winters, I talked to you about it last night."
"I was so frightfully sleepy and tired that I didn't really take it in," she replied coldly.

From that time our intercourse became

strained. Although I endeavored to be most amiable, she was not responsive. Indeed she was so stiff that I was real-ly glad when I was called to Paris for reassignment. I am sure that I moved oftener than any other welfare girl in the A. E. F. but I do not regret it for I saw a great deal of France and workurther with her.

As I was coming back from mess that of the service.
